

## CREATING A MORE DYNAMIC, INNOVATIVE AND INCLUSIVE STEM ECOSYSTEM IN AUSTRALIA

IMNIS is an award-winning industry engagement initiative that connects emerging leaders in STEM with influential, high level industry leaders and the broader sector, and prepares them to participate effectively in real-world industry settings.

**Engage**

**Our flagship professional development program for PhD students and early-career professionals**

Industry mentoring, professional development, events and interdisciplinary cross-sector networking.

**Ignite**

**Our postgraduate industry internship program**

Bridging the skills gap in the sector by connecting highly skilled researchers with industry through internships.

**Catalyst**

**Our Ambassador program for IMNIS alumni**

Engaging throughout the STEM sector to share diverse STEM stories in a wide range of settings.

We can all contribute to a more connected, collaborative and vibrant STEM ecosystem. Find out how to get involved:
